

## Brainstorm & ideaprioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

- 10 minutes to prepare
- 1 hour to collaborate
- 2-8 people recommended

## Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

10minute

- Team gathering**
  - Def new how should participate in the session and send an invite.
  - Share relevant information or pre-work ahead.
- Set the goal**
  - Think about the problem you'll be focusing on solving in the brainstorming session.
- Learn how to use the facilitation tools**
  - Use the Facilitation Superpowers to run a happy and productive session.

### Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5minute

## Brainstorm

Write down any ideas that come to mind that address your problem statement.

10minutes

**TIP**  You can select a sticky note and hit the pencil [switch to sketch] icon to start drawing!

## Groupideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20minute

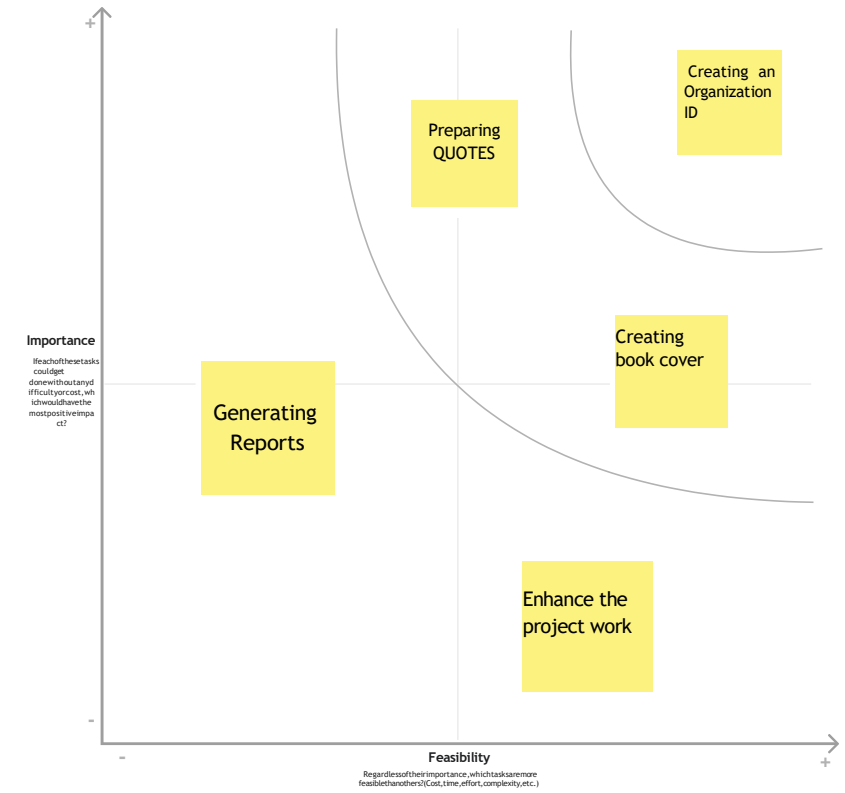

**TIP**  Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

## Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20minutes

**TIP**  Participants can use their cursors to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the **H** key on the keyboard.
